2. RATE FLUENCY

Directions:

While the overall sound of the student's reading is fresh in your mind, use the Fluency Rubric to determine the student's reading fluency rating.

3. ASSESS COMPREHENSION

Directions:

Since students have read the entire book during their small-group lesson, you will be assessing their understanding of the whole book here. Start a conversation about the text by saying, *Talk about what you learned from this book.* Circle key understandings. Use prompts as needed to encourage students to talk about the text. It is not necessary to use every prompt. Score for evidence of all understandings that are expressed with or without the prompt. Using the comprehension rubric, circle the number in the score column that reflects the level of understanding demonstrated.
