

Math Facts

One day Ms. Crisp said, “We are going to have a test. How fast can you do your math facts?”

“I will crush this,” said Glen. “I am fast at math facts!”

“I will do the best!” said Deb.

“I will look at the clock,” said Ms. Crisp.

“When I clang the bell, go as fast as you can!”

Clang went the bell. Deb was fast. Glen was fast too. Then they both had bad luck. They both got stuck on a fact.

“I did not crush it,” said Glen.

“I was not the best,” said Deb.

“Next time we will crush it,”
said Glen.

“Yes, next time we will be the best,” said Deb.
