

Time to Bake

After lunch Mom said, “It is time to bake a cake.
You can help me!”

Shane said, “Yum! I love to bake!”

Mom said, “Wash your hands in the sink.
After that you can put on your cap.
Then we will make the cake!”

Mom and Shane baked the cake.
It had pink frosting.

“Can we eat the cake?” asked Shane.

“Not yet,” said Mom.
“We will eat the cake
after dinner.”
