

The Bird Feeder

One day Jaylee took her dog, Peeper, for a walk down the street.

Mrs. Brown was sweeping the sidewalk.

“Hello, Jaylee,” she called.

“Come and see the chickadees in my bird feeder!”

Jaylee tied up Peeper and walked with Mrs. Brown to the backyard. They looked at three chickadees eating seeds in the bird feeder.

“Tweet! Tweet!” said the birds.

“They love your birdseed!” said Jaylee.

“Woof! Woof!” barked Peeper.
The birds flew off.

“Oh no!” said Jaylee. “Peeper, bad dog!”

“It’s OK,” said Mrs. Brown.

“The birds will come back for more birdseed!”
