

## The Shopping Trip

Mom planned a shopping trip to the city so she could buy Jaylee some new, bigger clothes.

Jaylee was excited. She loved going into the city. She skipped along to the subway, grinning happily.

When they got to the city, they shopped and shopped. Mom chatted with all the other shoppers. “Too much chatting and shopping,” said Jaylee. “I’m hungry!”

“Don’t you want to find more clothes?” asked Mom.

Jaylee shrugged and said, “I’m too hungry. Let’s get an ice cream cone to eat!”

Soon Mom and Jaylee were eating ice cream cones. “Look out, your ice cream is dripping!” said Mom.

But it was too late. The ice cream dripped on the sidewalk, and Jaylee slipped and landed in some dirt.

“It’s a good thing we have some new clothes for you to change into,” said Mom. “Because I plan to shop some more!”
